Volunteer Accomplishments | Fab Fundraisers | Pony Weekend

Jo's MBE

Jo went to London in October 2024 to rub shoulders with royalty. She received her MBE from Prince William. Well done Jo!

Allan and Kelly's Long Service Awards

In late October at the RDA Regional Conference Allan received his award for volunteering with RDA for 10 years. Kelly received her 15 year award.

Amazing Fundraisers

Jill's Marathon Challenge

One of our lovely parents, Jill is taking on the AJ Bell Great Manchester Run Half Marathon 2025 on Sunday 18th May. She's running to raise vital money for our group. Jill is training hard for this epic run and not only that, but she is running with a cardiac pacemaker! What a woman! We're all behind you, Jill and wishing you the best of luck.

The funds raised help to keep our group running. As with any facility, there are running costs which just keep coming, along with other projects and costs that pop up along the way. Pride, our mechanical horse, really is fantastic however as he ages he needs some costly upgrades along with regular maintenance. The donations really do make a huge difference and keep our group running.

You can view see Jill's fundraising page with training updates and also donate by scanning the QR code below.

We Really Do Need You

As we establish ourselves at Thornton Hall Country Park and begin to take on more participants, we need more volunteers. If you could spare any time to help us, please get in touch. Equine experience is great but really not necessary, free training is given.

New Arena Fencing

There's been a lot going on beneath the surface at Pendle RDA. We've recently had new fencing installed for the arena at the yard in Barnoldswick. The work was carried out by Dales Fence and Forest. A little sneak peek of our new arena fencing is in the photo above of Amelia and Teddy.

Amelia's Top Efforts

Our lovely participant Amelia has been doing lots of work to raise funds for our group. She's been doing lots of raffles and Auction of a Hamper and Easter Egg, in which she has raised a whopping £700! Not only that, Amelia also organised a Bingo Night, this took place on 7th May and raised another whopping £800! Amelia not only organised the night but hosted it too. It was a "full house", with many games of bingo and a raffle with great donated prizes that Amelia and her family had gathered. At only 11 years old we know Amelia is going to go on to do great things!

Pony Weekend at THCP

We are proudly supporting Thornton Hall Country Park and showcasing our wonderful facilities on the weekend of 17th and 18th May, for their Pony Weekend.

There will be lots of activities to do, as well as come and say 'hi' to us. We may even have a small hooved friend come along to help us too, so keep your eyes peeled.

We are excited to offer people a glimpse into what we do and how fantastic Pendle Pride, our state of the art mechanical horse really is.
