

Pendle RDA

Pride's New Home | Champion Volunteers | Our New Website

Kate's Award

On 21st September our very own Kate Bailey received The Volunteer Award, at the BBC Radio Lancashire Make A Difference Awards, which took place in Blackpool. Chosen out of thousands of nominees, this just goes to show how special Kate really is.

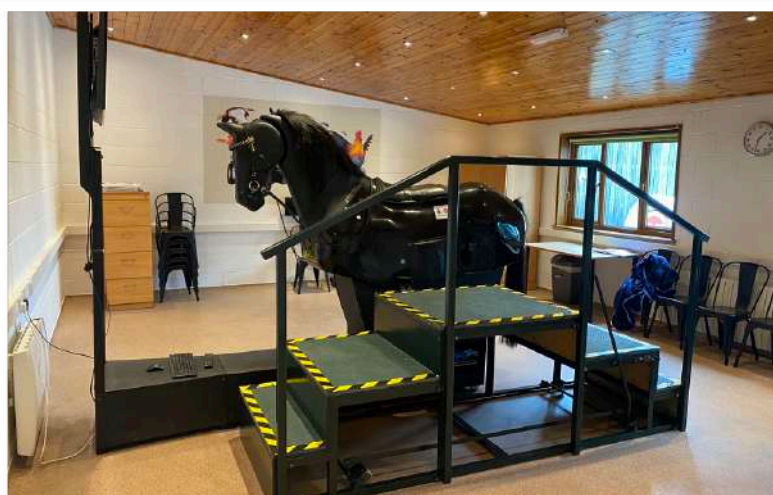

She's been volunteering with Pendle RDA since 1980 and this award is just a token of all the hard work Kate has put into RDA.

Jo's MBE

Our lovely helper and now Committee Member Jo, has been awarded an MBE! This means she gets to go to London to meet one of the Royal family, to receive her insignia.

Thanks to Thornton Hall Country Park

We'd like to say a massive thank you to Emma, Chris and all the lovely team for welcoming us to their lovely premises!

A New Home for Pride

Pendle Pride recently got a lovely new home at the amazing Thornton Hall Country Park. This is a new partnership and we feel this opportunity came up at exactly the right time. There are lots of new and exciting possibilities of being at such a great location, along with his new stable.

As with his new stable, Pride had to have time away at the 'vets', to have a full service and new upgrade, which will future proof him for years to come. This upgrade is part of our plan to expand the group again and see it bloom and grow, as it once did.

Fundraising

With rising costs, as ever, our outgoing has risen by 150%. This means we need to fundraise.

Ideas welcome!

Pendle RDA Clothing

We have opened up the order books for Pendle RDA logo merch. Let us know if you would like an order form, or just let us know what you would like to order. There should be a poster around at THCP or the yard, or again just ask!

New Website

We now have a lovely, shiny, new website! Check it out:

www.rdapendlegroup.co.uk

With special thanks to Steve King from Skipton Computer Services for all his help in setting up the website.

www.rdapendlegroup.co.uk

Some of our volunteers are undergoing training to become Coaches. This will enable us to take on more riders and run more sessions, both on Pride and with the real horses.

We have some new horsey faces at the stables in Barnoldswick, so keep a look out in person, and on Facebook for who they might be. There might even be a sneak peak on our website too!
